In other business Gayle Vining who owns nine lots in the Village reported that a natural drain runs through the property which makes it unusable. She reported that the engineer told her the drain could be redirected but the point of entry /exit could not be changed. This would allow for more buildable property. Ms. Vining also requested that the alley in Square 135 be revoked to allow for more usable property. Mr. Kearns stated that the alley has to be valued and purchased or exchanged. Ms. Vining stated she would be willing to give up property she owns in the triangle at Hwy. 40 and North Morgan Rd.

There being no further business, the meeting was adjourned on motion of Alderman Wilt, seconded by Alderman Bickham. (3 Yeas, 0 Nays) The motion carried.
